Dear Conway Elementary Families:

Welcome to a new school year and a brand new year for Project SUCCEED at Conway Elementary School! I am so happy and honored to join Project SUCCEED as the new site director at Conway Elementary School. In addition to my position here at Project SUCCEED, I also teach Reading at Kennett Middle School on Team 3. This is my second year in the district after returning back to New Hampshire after living in Austria for three years. I know that I am not the only one excited for a new year. Both new and returning staff have been busy in creating diverse programming to enrich each child's academic, physical, and emotional growth. I am proud of their dedication and commitment to your children and the program.

The **Morning Program will run Monday thru Friday from 7:45 to 8:45 AM.** Students must have a completed Project SUCCEED registration form, including the registration fee, in order to attend. Morning Program staff will have registration forms on hand for your convenience. You will only be billed for the days your child attends the program.

The **Afterschool Program will begin on Monday, September 9.** The Afterschool Program will run every **Monday thru Friday from 3:15 to 5:15 PM.** All students need to be picked up by an authorized adult no later than 5:15 P.M.; there is a late bus available to transport students home after the program. Students must be registered with Project SUCCEED and complete an online enrichment sign-up form every trimester to attend the program. Please read the attached information regarding fees, etc. carefully before completing all of the required paperwork.

Please feel free to contact me at 662-4657 (Project SUCCEED cell phone) if you have any questions about registration or any of our programs. We look forward to seeing you at our Morning and Afterschool Programs, and I am especially looking forward to meeting you and your children.

Sincerely,

Jayson Andrews
Site Director

Important First Trimester Dates

Monday September 9: First Day of Afterschool

Thursday October 3: No Afterschool Program (SAU9 staff development day)

Friday October 4: NO SCHOOL

Monday October 14: NO SCHOOL

Monday November 11: NO SCHOOL

Tuesday November 26: Last Day of First Trimester

Welcome to Project SUCCEED's first trimester of fun! We are working hard to build enriching afterschool activities that will excite students in any grade! Our goal is to make is to offer a variety of programs that everyone will love!

How do I sign my child Up?

To sign up for Project SUCCEED you must fill out a registration form and return it to the school with a registration fee. These forms are always available in the school office and on our website www.projectsucceed.com

If you want to participate in an afterschool program please fill in the attached enrichment sign-up form. This will allow allow you to choose the days and enrichments that your child needs.

Important Information

- If your child has a change of plans, please send a note to school for his/her teacher.
- Morning Program will begin at 9:45am when there is a 2 hour delay.
- There will be no afterschool program on early release days.
- The daily participant limit for the Afterschool Program is about 65 students.

*Afterschool programming is not child care; it's meant as academic enrichment time. Please try not to pick your child up before 5pm. Students who are picked up early miss out on some great activities. (Would you pick your kid up early from soccer practice?)

We reserve the right to change/edit or move students from one enrichment to another based on the needs of the program or student.

Parents may pick up students from afterschool program by using the doors on the outside of the cafeteria.
